1. A Rite of Passage helps “right side” children *move toward “left side” service, maturity and commitment.*
2. Healthy differentiation empowers individuals in the context of a community; *differentiation heals conflict and stops abuse.* It is the opposite of controlling people; it sets people free. *It’s the only way to herd cats.*
1 Cor 12:7 To each is given *the manifestation of the Spirit for the common good.*
3. The Bishop's Mistake: You shall love your neighbor as yourself, *and not delegate this task to your church.*

¶126 of the 2012 Book of Discipline of the United Methodist Church: “Every layperson is called to carry out the Great Commission (Matthew 28:18-20); *every layperson is called to be missional.*”

#4: HARVEST Worksheet- 4 Cornered Room “Make Disciples With Me” (in a small group)

1. The Strachan Theorem: growth potential is determined by *the number of active disciple makers*.
2. The Harvest Worker corner ... is empty. *Disciple makers are working with their people*.
3. Does our church have spiritual parents in an extended family? *Or does it function more like an orphanage?*
¶126 of the 2012 Book of Discipline of the United Methodist Church: *“Every layperson is called to carry out the Great Commission (Matthew 28:18-20); every layperson is called to be missional.”*

Within the Four Cornered Room the primary task of the Harvest Worker/mentor/partner/spiritual parent/disciple maker is to monitor their disciples for readiness to move to the next corner and facilitate that.
